

PTA Meeting Minutes December 11, 2014

Attendees: Elizabeth Schwartz, Christine Sullivan, Sara Arman, Susan Hans, Kaiya Korb

Funding Request

Physical Education teacher Ally Bataille requested \$6,000 to update the P.E. equipment. The \$1,000 allocated in the school budget has already been spent on upgrades. The P.E. equipment we currently have is very limited and out of date. Ally has done research into the best value and quality and has a contact with Champion who are willing to supply equipment at wholesale prices. She has also looked into grant monies.

PTA agreed to \$4,000 and will revisit this at the end of the year.
