When submitting payment for your child's account, please send check or cash in whole dollar amounts - Thank you! Prepayment is expected!
News from the biggest classroom in the school:
 Local Foods include Green Mountain Harvest Lettuce and Basil. Neill Farm Burger.

Please see important information below.

Hello Folks!

May is a busy month in the lunchroom.

May and June are always a time for Field Trips. If your student is attending a Field Trip we do provide a Field Trip To Go menu. Just ask your child's teacher for one if he/she does not bring one home. They are also located on our website, under foodservice at Faystonschool.org.

Looking ahead to our school year ending in just a month and half I would like to remind you that all unpaid balances will need to be paid up. Payment is expected in full by the end of the school year. Failure to do so will result in collections over the summer months. Every parent can check their online accounts by getting a password through the school administrator. You should be receiving an email when your child's balance is overdue. Please let me know if you have not been getting these emails.

Let's all do the sunshine dance and hope for sunnier days in May.....until then.....see you in the lunchroom.

Our monthly taste test was CARROTS!! Students taste tested Honey Carrot Bars (which will be on this month's breakfast menu) and Carrot fries.

Have a great month!!

Cheryl Joslin
