

Waitsfield School Winter Sports Program

It is time to begin thinking of our Wednesday winter outdoor program. Our program will run January - March 20th on the following dates: 1 /2, 1/19, 1/16, 1/23, 1/30, 2/6, 2/13, 3/6, 3/13, and 3/20. The program is designed to provide all students in 1st-6th grade with an opportunity to deepen skills and appreciation of winter recreation.

PROGRAM DETAILS

- The program runs from 12:30-2:25 at the mountain. Students leave school at 12:15. On mountain instruction runs from 12:30-2:15. We will still run full bus routes, with slightly different times, when the students return to school. Students may also be given permission to stay on the mountain if there is an adult onsite whom families have authorized to be with students.
- There are many equipment rental packages available here in the valley and beyond; we recommend working with a shop that you trust. Another great option is to get outfitted at the Ski & Skate sale; there are many great deals to be had -- and when your child grows out of the equipment, you can sell it back at the sale!) Scholarship for equipment is available; please note that need on your child's sign up form. Scholarship rentals are available on site at the mountain.
- All other program costs (instruction, bussing) are covered by the school/PTA (thank you for volunteering at the Ski & Skate sale to help fund this and MANY other programs supported by the PTA!
- Our program relies on significant volunteer participation, from someone to drive our equipment to the mountain each week to chaperones and instructors to join groups. We greatly appreciate those who can make this volunteer support fit in their schedules. A volunteer form will be sent electronically, but can also be found [here](https://goo.gl/forms/zhiwatdEZjMgFuiI3) < https://goo.gl/forms/zhiwatdEZjMgFuiI3>

Please let us know if you have any questions. Thank you for returning the attached forms A.S.A.P. , and not later than Friday, November 2nd to Kathi.
