Book Fair: March 12-16th!

Please sign up to help...

PlayBill

Sharpon D typically gets all the ads. In the past we've had different people doing playbill design. We are seeking a parent who can help do the playbill, working with Sharon. Maybe 6th graders? We have an \$8 credit with minuteman Press.

Camps List

JS/Kathi Orr need to put a disclaimer on it stating they are not recommended or pre-screened by the school or PTA.

Winter Program

KK suggest if we are going more than 6 sessions we should split the PTA bonus between Katie and Amanda. \$500 was budgeted so it was decided we will give \$250 to Katie now. Next year kindergartners will be eligible to ski (full day program so teacher will go to professional development). We need to begin thinking of alternatives for kindergartners who cannot handle the program. The heart of this program is to provide children the opportunity to be outdoors and get instruction that develops a skill set. The mission is to build enthusiasm for a life long outdoor activity that the child will enjoy. KK will come back with a couple of options. Beth Libby: keep in mind, that Blueberry Lake is free to the children. They just need equipment. Perhaps we need to add a Nordic aspect to the program.

Please join us for the next meeting on this Thursday, 3/8/2012 (7:40 am)
